BRACKET E-1

BODY

BRACKET E–1 is part of the **BRACKET E** ceiling–and–wall mount distance holder.

The body allows:

- mounting the **BRACKET E–5 (GY)** ball–joint holder
- mounting the **BRACKET E–2A (GY)** or **BRACKET E–2B (GY)** insert.

BRACKET E–1 can be mounted directly on the **BRACKET E–4 (GY)** base or the **BRACKET E–3 (GY)** spacer.

The actual appearance of the products may differ from the presented images. Product descriptions are provided in the web service for information purposes only.
