

35 SERIES CAMERAS MOUNTS AND ACCESSORIES

Honeywell's 35 Series mounts and accessories provide a wide range of installation options for the Honeywell 35 Series IP cameras, including junction boxes and a variety of brackets for in-ceiling, wall, pole, and corner mounting.

All of the mounts and accessories offer excellent value at an attractive price with simple, clean lines, rugged construction and options suitable for indoor or outdoor mounting use.

The mounts provide easy cable routing with no exposed wiring, and the cameras can be installed, adjusted, and tested without repositioning the housing.

The junction box, pole mount adapter, wall mount bracket, and corner mount adapter are constructed of die-casting aluminum. The in-ceiling mount bracket is made of SECC steel. The pole mount bracket, corner mount bracket is made of SPCC steel.
