

OPC-3 DG

OPC-3 DG is a complete dark-grey enclosure designed for **OPAL**, **OPAL Plus** and **AOD-210** outdoor motion detectors. This enclosure makes it easy to match the detector to the building exterior or surrounding area, replacing the standard white or grey enclosure.

Transfer the detector's electronics board into the enclosure.

- dark grey colour
- wall bracket not included – compatible with the colour-matching **BRACKET C DG**
- multipack of 6 pcs.
